

Monthly News Letter

February 2020

Where is this year going? Nearly Springtime! Clocks go forward soon!

New Website

Our new website is up and running, mostly. I would urge all paid up members to register, then we can get emails out to you. If you look at the website ashdownsailingclub.co.uk you will see there is a registration button. We are encouraging members to post photos of rallies etc so we can build up the gallery using the email address at the top of the front page so potential members may see how active we are as a sailing club. At the bottom of the opening page you may sign up to the newsletter.

Sunshine Cruise

Well we had sunshine again and some wind. Libra II, Fizzgig, Katy I and Two of Diamonds had an outing to Cowes. A good gathering in the evening at the Call it What you Like restaurant. Sadly, due to oven problems the service was slow, but the food was still very good. All well organised by Becky and Pete Muggeridge.

Talk

We had a very lively and interesting talk by Duncan Wells, which was very well attended, and in addition two guest clubs OOSC and WWSC came along. Duncan is a very lively speaker and gave us some great ideas on techniques for short handed sailing, knots, safety equipment etc. Many of us purchased his interesting books.

Quiz Nite 4th March 8pm

Chrissie and John are organising the quiz nite which will be held at Godstone Club. The more the merrier, so look forward to a good evening and seeing as many as possible.

Sailing experience weekend 14th 15th March

Please can you put your names forward for this on the new website ashdownsailingclub.co.uk. If you have any teething problems with it, please get in touch with me. I have taken inspiration from Duncan Wells and would like to try some of his techniques for shorthanded sailing.

Boat Owners

I am starting to plan the Thames Trip in May. Would boat owners kindly let me know if you are interested in this New Destination trip. I am making enquiries about entertainment on route.

Annual Subscriptions of £20 will increase to £30 if unpaid by 29th February. Gentle reminder!!

Happy Sailing
