June 2020

Hello all,

It seems so long since we got together in the flesh, so to speak. I know one or two of us have been able to go for a sail, albeit for only a day sail. I do believe that from 4<sup>th</sup> July we will be able to spend a night in a marina. Also we may be able to meet at the Godstone Club on 8<sup>th</sup> July. I will send an email to everyone to confirm this. I expect everyone has been giving their boats some tlc during the lockdown and are looking forward to being out on the water!!

BBQ

I am happy to host this as in the social programme. How about Weds 15<sup>th</sup> July. I live near Lingfield for those who are new members. Please send me an email [janeandmark2000@hotmail.com](mailto:janeandmark2000@hotmail.com) if you wish to attend. We can socially distance (the in phrase for 2020). For a meal of burger, bangers and salads etc and pud £6 per head. Bring own drinks swim wear.

August Cruise

As ASC has not had an opportunity to go for a club rally, I am proposing one for two weeks from 8<sup>th</sup> to 22<sup>nd</sup> August. I think France now will not be on the agenda but how about the West Country? An easy cruise so everyone can join who wishes to, and no pressure to get from one port to another. This would be only if the rules at the time allow, and that nothing changes. Skippers have the right to determine

who and how many people sail on their boats. Please let me know your thoughts on this.

### Website

I am still trying to get the website fully operational, which is nearly there. A few tweeks here and there. If anyone has any pictures of club rallies I would appreciate if they could be emailed to me [janeandmark2000@hotmail.com](mailto:janeandmark2000@hotmail.com) so I can get them posted on the website. I would also appreciate those who haven't yet sent me pics of their boats and their home ports to do so in order they can be posted on the website. We are (normally) a very active and adventurous club which became very apparent to me when I attended an RYA seminar. We are more active, by far than most. Let us keep it that way.

If you haven't signed up to the new website I kindly invite you to do so. I also welcome any comments, suggestions and any good providers such as riggers, sailmakers etc who are highly recommended, so we can put their details on the website on the links page.

THAT IS ALL FROM ME

HOPE YOU ARE ALL WELL

LET'S GO SAILING TOGETHER ASAP
